

## **Item 7: New Proposals**

---

### Background:

The Work Plan & Budget for 2008/09 has been updated by the Secretariat based on the decisions made by the Steering Committee in its earlier meetings.

However, during implementation some implementing agencies may find that there is a need to address new emerging issues through the development and implementation of new proposals.

The new proposals received by the Secretariat are presented to the Steering Committee's discussion, consideration, approval or rejection.

### Financial implications:

To be assessed.

### Special Considerations:

None

### Post Review:

The Annual Work Plan & Budget for 2008/09 will need to be updated based on the Steering Committee's decisions.

### **Recommendation:**

**The new proposals received by the Secretariat are presented for the Steering Committee's assessment, discussion and decision.**
