

Item 6: Requests for revision

Background:

The Work Plan & Budget for 2008/09 has been updated by the Secretariat in keeping with the decisions of the Steering Committee in its meetings. However, during implementation some activity areas may need to be revised due to unforeseen circumstances. The requests for revisions are presented to the Steering Committee's discussion, consideration, approval or rejection.

Financial implications:

To be assessed.

Special Considerations:

None

Post Review:

The Annual Work Plan & Budget for 2008/09 will need to be updated based on the Steering Committee's decisions.

Recommendation:

The requests for revision are presented for the Steering Committee's assessment, discussion and decision.
